LYNCHING AT ABBEVILLE TO BE AIRED SOON

Newspaper Man Visits Scene and Leaves Without Comment, Solicitor. Elect Blackwell on the Scene Last Week.

Abbeville, S. C., Nov. 21.—It seems the entire lynching matter is to be aired in Abbeville soon. A few days ago a Mr. Nash was here and traveled through the country, supposedly to buy land. He did not buy any, and it now appears that he was taking notes for an article to be printed in the World, giving a full account of the whole matter.

He has left, and citizens here are expecting to see the article appear at any time. It is known that W. P. Beard, editor of the Selmitar, was offered a good price by several northern papers to send them a complete write-up of the affair, shortly after the occurrence, but he refused the offer.

A state detective is here, investigating the lynching for the governor. He has interviewed many citizens and it is said to be accumulating evidence upon which warrants will be sworn out shortly.

The newly-elected solicitor, H. S. Blackwell, made a hurried visit here today, and after a private interview with W. N. Graydon, an attorney, left for his home in Laurens. Mr. Blackwell's visit here was said to be in connection with the development in the lynching case, and the discoveries of the detective.

It is said the detective will prove that the negro, Anthony Crawford, was dead when taken out of jail, and the prosecution will confine its efforts to convicting the ones who killed him at the gin house, rather than attempt to convict a greater number of men for lynching a negro already dead, when they took him out of jail.

There is another and a more serious phase to this affair. It is whispered around that the federal authorities are quietly investigating the matter of ordering the family of Anthony Crawford to leave their home and the county. It will be recalled that this was done at a meeting in the court house here on Monday, following the lynching, and that in this open meeting of citizens a resolution was passed providing that a committee of three citizens go out to the Crawford's and "advise" them to leave.

This was done, and despite the fact that two subsequent meetings were held to offset the effect of the first meeting, the negroes have vacated their premises and left the county.

It is pointed out that the meeting was a conspiracy to drive citizens from home, and deprive them of their constitutional rights.

Now Lookout.

When a cold hangs on as often happens, or when you have hardly gotten over one cold before you contract another, look out for you are liable to contract some very serious disease. This succession of colds weakens the system and lowers the vitality so that you are much more liable to contract chronic catarrh, pneumonia or consumption. Cure your cold while you can. Chamberlain's Cough Remedy has a great reputation. It is relied upon by thousands of people and never disappoints them. Try it. It only costs a quarter. Obtainable everywhere.
